# AmSECT 2026-2028 Strategic Plan

## Final Revised 11/22/25

Saturday, November 22, 2025

### 1. Capture student grads in transition

- a. Zone directors present at schools (zone directors, work with quality committee to keep this going either virtually or in person when possible)
- b. Congratulations letter to grads (president)
- c. Database of 2<sup>nd</sup> year perfusion students (student council)
- d. Contact grads before they enter transitional membership for future (president)
- e. Discount 1<sup>st</sup> years' membership if member auto-renews (Ewald address Impexium issues)
- f. First time member discounts if auto-renew chosen
- g. Membership committee to create a "road map" for new grads to support AmSECT membership

### 2. Create a speakers' board and market to state societies, local meetings, and schools

- a. Create a speakers' board task force
  - i. Topics
  - ii. Geographical location
  - iii. Database of willing speakers
  - iv. Work in conjunction with AmSECT U
  - v. GRC create a database of current state society membership

### 3. Certification exam task force

- a. Explore NCCA Certification for AmSECT exams

### 4. Women in Perfusion

- a. Advertise and web support (WIP)
- b. Support webinars (full board)
- c. Explore ABCP certification changes (WIP)
- d. Booth at national meeting (WIP)

### 5. Pediatric stand-alone meeting

- a. Booth at national meeting (peds committee)
- b. AmSECT membership booth at meeting

### 6. Student Council

- a. Address transitional members (SC)
- b. Setup committee audit process. Student on each committee (SC)
  - i. President assigns one student per committee to audit process. This will be done in conjunction with the student council on a yearly basis.
  - ii. Audit is defined as attending committee meetings with no responsibility
- c. Create database of 2<sup>nd</sup> year students (SC)

### 7. International Perfusion Societies

- a. Continue to support MOUs (full board)
- b. International perfusionist welcoming/hosting (President and President Elect)
- c. Support a regular exchange at foreign societies w/current MOUs (will require a \$10,000 travel budget line item – finance committee)

- d. Designate a liaison to all international perfusion societies with a current MOU
- 8. **Appoint a senior director at large**
  - a. Must be a former executive director
  - b. Non-voting position
  - c. Has a historical perspective
  - d. Appointed by the current president
  - e. Assist in previous strategic plan oversight
